

FACTSHEET

REF: 506544

507564

FIT	D-XD
SIZE RANGE	35-49
COLOR	White
UPPER MATERIAL	Microfiber
LINING MATERIAL	Hydro-Tec® Antibacterial
INSOLE	Non woven Antistatic
INLAY SOLE	Anti bacterial
TOE CAP	Steel / EN 12568:2010
PROTECTIVE LAYER	None
UPPER CONSTRUCTION	Strobel-stitched
MIDSOLE	PU
OUTSOLE	GripForce® Easy Twist
OUTER TOE CAP	PU
FASTENING TYPE	Elastic
EUROPEAN STANDARD	EN ISO 20345:2011
ANTISTATIC PROPERTIES	Antistatic 0,1 - 1000 M Ohm
ANTI-SLIP	SRC

VERA

S2-Safety shoe for wet working conditions

An easy shoe for wipe clean hygiene.

The Vera is one of the easiest to maintain shoes available. The upper is completely washable thanks to a unique microfibre construction. Hygiene was paramount when the shoe was designed and the wipe clean, breathable Vera is sanitized with Hydro-Tec® Antibacterial. Stains are resisted, fats and grease are repelled, dirt is dispersed. The shoe's soles have been developed specifically for hard tiled surfaces and the types of easy clean floors commonly found in Food & Catering. If there is a spillage, the Vera will keep you dry and upright at all times.
