

507564

FIT D-XD

SIZE RANGE 35-49

COLOR White

UPPER MATERIAL Microfiber

LINING MATERIAL Hydro-Tec® Antibacterial

INSOLE Non woven Antistatic

INLAY SOLE Anti bacterial

TOE CAP Steel / EN 12568:2010

PROTECTIVE LAYER None

UPPER CONSTRUCTION Strobel-stitched

MIDSOLE PU

OUTSOLE GripForce® Easy Twist

OUTER TOE CAP PU

FASTENING TYPE Elastic

EUROPEAN STANDARD EN ISO 20345:2011

ANTISTATIC PROPERTIES Antistatic 0,1 - 1000 M Ohm

ANTI-SLIP SRC

VERA

S2-Safety shoe for wet working conditions

An easy shoe for wipe clean hygiene.

The Vera is one of the easiest to maintain shoes available. The upper is completely washable thanks to a unique microfibre construction. Hygiene was paramount when the shoe was designed and the wipe clean, breathable Vera is sanitized with Hydro-Tec® Antibactierial. Stains are resisted, fats and grease are repelled, dirt is dispersed. The shoe's soles have been developed specifically for hard tiled surfaces and the types of easy clean floors commonly found in Food & Catering. If there is a spillage, the Vera will keep you dry and upright at all times.
